Dear Examiner Franklin:

When I spoke with you this morning, I was unhappy to hear that you had not received the fax that I sent you last week, March 15, which was confirmed by the US Patent Office.

This new fax, which you've asked me to send, is a request for a meeting with you and Supervisor Karl Frech to review the presumed claims of
US Patent Application #09/635,624

System and Method for Collecting Road Use Fees.

I am able to fly to Washington 2002 to meet in your office at your convenience.

Please telephone me at 212-799-7018 so that I may make flight arrangements.
